Education (academic certifications in social statistics)

2018 *Sampling, Weighting and Estimation*
(4 ECTS credits received from Cologne University and GESIS Leibniz Institute for the Social Sciences, Cologne, Germany).

2018 Statistical modeling: *Longitudinal Network Analysis using RSiena*
(3 ECTS credits received from Cologne University and GESIS Leibniz Institute for the Social Sciences, Cologne, Germany).

2018 Statistical modeling: *Multilevel analysis*
(3 ECTS credits received from Cologne University and GESIS Leibniz Institute for the Social Sciences, Cologne, Germany).

2017 Statistical modeling: *Structural Equation Models (SEMs)*
(3 ECTS credits received from Cologne University and GESIS Leibniz Institute for the Social Sciences, Cologne, Germany).

2015 Statistical modeling: *Personal Network Analysis*
(2 ECTS credits received from Universitat Autonoma de Barcelona, Barcelona, Spain).

2011 Statistical modeling: *Social Network Analysis*
(28 hours certified by VU University Amsterdam, Amsterdam, The Netherlands).

Training in data analysis techniques (i.e. participation at international courses, seminars, workshops etc.)

2018   The iCoNiC international workshop: *Semantic network analysis with AutoMap and ORA*, University of Bucharest (GraphNets & Faculty of Sociology and Social Work, Bucharest), September 25 – 26 [4 hours daily with Adina-Nergheş Lee, PhD].

2018   The 7th *Gesis Summer School in Survey Methodology:* Sampling, Weighting and Estimation. Cologne University and GESIS Leibniz Institute for the Social Sciences, Cologne (Germany), August, 20– 24 (the course was assigned 4 ECTS credits). [8 hours daily with Stepahnie Eckman, PhD]

2018   XXXVIII Sunbelt Conference**,** Utrecht University (Universiteit Utrecht)**,** Utrecht (The Netherlands), June, 26 – July, 1. Workshops: *Permutation tests for Network Data Regression Analyses: Unrestricted and Restricted MR-QAP Models* (3 hours with David Dekker, University of Greenwich/Center for Business Network Analyses); Introduction to Exponential Random Graph Models using statnet (3 hours with Martina Morris, University of Washington, Pavel Krivitsky, University of Wollongong); Valued Tie Network Modeling with statnet (3 hours with Pavel Krivitsky, University of Wollongong & Carter Butts, University of California Irvine) & Introduction to Modeling Temporal (dynamic) ERGMs using statnet (3 hours with Martina Morris, University of Washington & Carter Butts, University of California Irvine).

2018   The *47th Gesis Spring Seminar*: Longitudinal Network Analysis using RSiena. Cologne University and GESIS Leibniz Institute for the Social Sciences, Cologne (Germany), March, 5 – 9 (the courses were assigned 3 ECTS credits). [8 hours daily with Prof. Tom A.B. Snijders, PhD – University of Groningen and Nuffield College, University of Oxford & Dr. András Vörös, ETH Zurich]

2018   The *47th Gesis Spring Seminar*: Multilevel Analysis workshop. Cologne University and GESIS Leibniz Institute for the Social Sciences, February, 19 – 23 (the courses were assigned 3 ECTS credits). [8 hours daily with Prof. Ian Brunton-Smith, University of Surrey]

2017   The *3rd European Conference on Social Networks***,** Johannes Gutenberg-University**,** Mainz (Germany), September, 26. Workshops: *Simplyfing ego-centered network analysis in R with egonetR* [6 hours with Till Krenz – Otto von Guericke University Magdeburg], *The Positional approach to social network analysis* [3 hours with Ulrick Brandes – University of Konstanz & David Schoch – University of Konstanz])

2017   *The 9th Edition of the Summer Course on Theory, Methods and Applications of Personal Networks*, Universitat Autonoma de Barcelona, Barcelona, Spain. July 3-7 (the courses were assigned 2 ECTS credits). Workshops: *Introduction to personal network analysis* [4 hours with Miranda J Lubbers & Jose Luis Molina – Universitat Autonoma de Barcelona], *Data collection and visualization with the EgoNet software* [2 hours and 30 min with Jose Luis Molina], *Name generators: contents, reliability and validity, characteristics of measured networks* [4 hours with Miranda J Lubbers], *Data collection and visualization with VennMaker* [2 hours and 30 min with Ignacio Fradejas – Universitat Autonoma de Barcelona], *Name interpreters and interconnectors* [2 hours with Miranda J Lubbers], *Comparing personal networks with clustered graphs, EgoNet / Visone* [2 hours with Jurgen Lerner, University of Konstanz], *Quantitative analysis of personal networks with R* [6 hours and 30 min with Raffaele Vacca, University of Florida], *Qualitative analysis of personal networks* [4 hours with Andreas Herz, University of Hildesheim/ Marburg].

2017   The 46th GESIS Spring Seminar: *Causal Inference with Observational Data, workshop on Structural Equation Models (SEMs)*, Cologne University and GESIS Leibniz Institute for the Social Sciences, Cologne (Germany), March, 13 – 17 (the courses were assigned 3 ECTS credits). [8 hours daily with Kenneth Bollen & Zachary Fisher, University of North Carolina at Chapel Hill].

2016   Open Seminar: *Mapping and Understanding Transnational Phenomena*, Universitat Autonoma de Barcelona & Grup de Recerca en Antropologia Fonamental i Orientada, Barcelona, Spain, October, 11. 8 hours of presentations on: *Industrial districts and migrant enclaves: a complex interaction* (Jose Luis Molina, Miranda J Lubbers – Universitat Autonoma de Barcelona), *Mapping transnational networks with a link-tracing design* (Ashton Verdery – PennState University, Isidro Maya Jariego – Universidad de Sevilla, Jurgen Lerner, University of Konstanz).

2016   *The Second European Conference on Social Networks*, Sciences Po – Centre de Sociologie Des Organisations, Paris, France, June, 14. Workshops: *Using R and igraph for Social Network Analysis* [6 hours with Michael Bojanowski **-** University of Warsaw], *Network visualization based on JSON and D3.js* [3 hours with Vladimir Batagelj **-** University of Ljubljana].

2015   *The 8th Edition of the Summer Course on Theory, Methods and Applications of Personal Networks,* Universitat Autonoma de Barcelona, Barcelona, Spain, July 6-10 (the courses were assigned 2 ECTS credits). Worksops: *Introduction to the measurement of personal networks* [4 hours with Miranda J Lubbers & Jose Luis Molina, Universitat Autonoma de Barcelona], *Personal network analysis with EgoNet* [2 hours and 30 min with Jose Luis Molina], *Comparison of name generators: Contents, reliability and validity, characteristics of measured networks* [4 hours with Miranda J. Lubbers]; *Vennmaker workshop* [2 hours and 30 min with Alejandro García-Macías, Universidad de Aguascalientes], *Name Interpreters. Measuring relationships among alters* [4 hours with Miranda J Lubbers], *Comparing personal networks with clustered graphs. EgoNet – visone* [2 hours and 30 min with Jurgen Lerner, University of Konstantz], *Personal Networks with R* [6 hours and 30 min with Raffaele Vacca, University of Florida].

2013   *The Sunbelt Conference*, University of Hamburg, Hamburg, Germany, May, 21 – 22. Workshops: *Advanced Social network Analysis using UCINET and Netdraw* [6 hours with Stephen Borgatti - University of Kentucky & Martin Everett - The University of Manchester], *Introduction to Social Network Analysis with R* [6 hours with Michael Bojanowski - University of Warsaw], *Analysis of large networks with Pajek* [3 hours with Vladimir Batagelj & Andrej Mrvar - University of Ljubljana].

2011   *The Workshop on Social Network Analysis and Organizations*, VU University Amsterdam, Amsterdam, The Netherlands, October, 24 – 27. Workshops: *Introduction to Networks: Overview of basic concepts and measures in social networks* [8 hours with Giuseppe Joe Labianca - University of Kentucky], *Organizational Networks* [4 hours with Giuseppe Joe Labianca], *Introduction to UCINET* [8 hours with Dan Halgin - University of Kentucky], *Research Design* [4 hours with Peter Groenewegen, VU University Amsterdam], *Dynamic network analysis with SIENA* (4 hours with Maurits de Klepper, VU

University Amsterdam], *Application of Network Research* [4 hours with Gerhard van de Bunt, VU University Amsterdam], Social Network Analysis in Organizations [4 hours with Rafael Wittek - University of Groeningen].
